Not just in my backyard –
Internationalizing the
curriculum or adding
to curriculum chaos:

What will kids born in
Venice, Vancouver or
Vladivostock in 2009
need to learn in school?

Professor Lidstone is currently Associate Professor in Education at the Queensland University of Technology and has over 100 journal articles and book chapters to his credit as well as 20 edited or co-authored books for academic, professional and student readers. He was Foundation Editor of *International Research in Geographical and Environmental Education* (Routledge/Taylor and Francis) and now co-edits the *Journal* with Professor Joseph Stoltman of Western Michigan University, USA. But, he is still a geographer at heart.
