China

**Elizabeth Macedo**

State University of  
Rio de Janeiro  
Brazil

**Dr. Zhang Hua's** research interests include curriculum and instructional theory; Confucian-Taoist-Buddhist orientations and phenomenological-existentialist-hermeneutic orientations in curriculum studies; and the reform of classroom teaching. He serves the National Education Ministry as its main expert on Chinese curriculum reform, and is President of the International Association for the Advancement of Curriculum Studies (IAACS).

**Dr. Elizabeth Macedo's** current research focuses on curricular policies and on Brazilian curricular thought. Regarding the latter, she has published a chapter in the **International Handbook of Curriculum Research**. She is Treasurer of IAACS, and serves a member of the Committee for Evaluating Graduate Courses in Brazil.
